Thank you for choosing Strick Equipment Sales!

Our goal at Strick Equipment Sales, Inc. is to provide quality name brand products to our customers at the right price. We are constantly improving our internal systems as well as strengthening our vendor relationships to achieve this goal. Our efforts will always focus on creating a quality experience for you the customer. As our business continues to grow we will serve our customers in new and exciting ways. Through volume purchasing from our vendors we have introduced a new

3-Tier pricing structure that offers substantial savings on your purchases. This program rewards our customers with added discounts and freight allowances when purchasing volumes are reached. We want to be your wholesale source for the petroleum equipment you buy. Our experienced and knowledgeable sales staff can also assist you by providing valuable technical information on the equipment in our catalog. We appreciate your business and will provide your company with the resources necessary to make equipment purchasing a cost-effective part of your business.

Thank you again for your business!
